Statement Of Faith We Believe

God

There is one God. Holy, eternally existing and manifesting Himself to us in three persons. Father, Son and Holy Spirit. God is merciful and loves us, but is just and must punish sin (Exodus 34:7; Matt. 28:9; John 3:16; John 14:6,10).

Christ

Jesus Christ is God incarnate. He was supernaturally conceived, born of a virgin, was put to death by crucifixion under Pontius Pilot, was raised from the dead on the third day, and now sits at the Father's right hand whence He is coming again personally, bodily and visibly (Luke 1:26-35; 1 Cor. 15:3,4; Eph. 1:13; Eph 4:4,5).

Holy Spirit

The Holy Spirit is God, He indwells all believers having baptized them in the body of Christ at the time of regeneration (Rom. 10:9,10; 1 Cor. 12:13,14; Eph. 4:4,5).

The Bible

The Scripture of the Old and New Testaments were verbally inspired of God and inerrant in the original writings and that they are the Supreme and final authority for our faith and life (2 Tim. 3:16,17; 2 Peter 1:20,21).

Grace

Eternal life is a free gift and cannot be earned. We are saved by grace and not by our own works (Rom. 6:23; Eph. 2:8,9).

Faith

All those who by faith receive Jesus Christ as their personal Lord and Saviour, and who confess Him as such before their fellowmen become heirs of God and joint heirs with Jesus Christ (Rom. 8:16,17; Rom. 10:9; Eph. 2:8,9).

Man

We are sinners and that by His death upon the cross, the Lord Jesus Christ made a perfect atonement for sin, redeeming us from the curse of the law by becoming a curse in our place (Rom. 3:23; Rom. 10:9,10 John 3:18).

Judgement

Those who reject the love of God and the saving work of Christ will be judged and punished for sin. They will be eternally separated from God (Exodus 34:7; Psalm 89:32; John 16:7-11; John 3:18; Jude 14:14).

The PeaceMaker is published quarterly by the CFCPO, for all members and friends of CFCPO. The CFCPO is an evangelical group of Christian men and women from all areas of the law enforcement profession. Its purpose is to present Jesus Christ as Saviour and Lord to others and to encourage discipleship and fellowship among its members.

The CFCPO is a nondenominational, non-profit ministry supported by gifts from people committed to reaching and encouraging those in the law enforcement profession for Christ.

President's Message Message du Président

It is again a privilege to be able to start off another new year's first edition of the **PeaceMaker** magazine with a Presidents message.

1994, and by the time this issue is out we will already be wondering how time has gotten past us so quickly and be trying to once again play catch up.

We look forward to a year of challenges and growth within the C.F.C.P.O. Scripture tells us that without a vision the people perish. All around us today we see a seemingly unstoppable tide of humanity rushing towards certain disaster. Within the field of law enforcement we need to be always fine tuning our vision of reaching out to those we work with. The only lifeline some of our colleagues may ever see might be the one we offer them.

Just before Christmas, a special banquet took place in Toronto to celebrate our ten years of incorporation as an organisation, and to honor and thank Police Chief Wm. McCormack for the many years of support his department has given the C.F.C.P.O. It was well attended and proved to be a huge success. Of all the people who worked so hard to make this evening successful, one couple deserve special mention, Art and Miriam Francis who had the idea and were instrumental in organizing it from start to finish. An excellent evening was enjoyed by many people. There was great music, interesting testimonies and a very challenging address that promoted Christian law enforcement officers, was given by

C'est une privilège de recommencer cette première édition du **PeaceMaker** avec un message du Président.

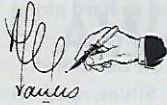

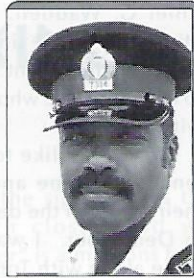

1994, en sortant cette revue on se demande comment le temps passe si vite et on essaye de se remettre au niveau.

On attend une année de défis et développement dans le CFCPO. Les Ecritures saintes nous disent que sans une vision les gens périssent. Autour de nous aujourd'hui on remarque une marée d'humanité sans arrête avec hâte envers le désastre. Parmi les représentants d'un service chargé de faire respecter la loi chrétien, on a besoin d'améliorer toujours notre vision de tendre une main à quelqu'un avec qui on travaille. Le seule fil que nos collègues peuvent voir c'est le que l'on leurs offre.

Avant Noël, on a eu une célébration pour fêter les dix ans que l'on est une organisation et pour honorer et remercier le préfet de police Wm. McCormack pour la contribution que son département a donné au CFCPO. Plusieurs personnes sont venues et c'était un succès. En particulier, Art et Miriam Francis étaient le couple qui a eu l'idée d'avoir cette célébration et ils ont beaucoup contribué à l'organisation dès que le début. Les personnes se sont beaucoup amusées. La musique était bien, il y avait des dépositions intéressantes et un discours qui était donné par le préfet G. Many of you could not attend the 10th Year Incorporation Banquet, hosted by the Toronto Chapter of the FCPO, December 9th, 1993.

It was an opportunity for members, associate members and supporters to give thanks to God for His faithfulness. And, to honour our #1 police officer in Canada, Metropolitan Toronto Police Chief, Wm. J. McCormack.

If you were one of those in attendance, you would have realised by the time you left the room, what the FCPO is all about.

Chief McCormack has endured negative criticism from many groups, the media and even from his own board members, for the manner in which he has represented an organisation which, is still regarded as the #1 Police Force in the world.

His family is not isolated from it for as the scripture reads; *"And whether one member suffer, all the members suffer with it; or one member be honoured, all the members rejoice with it"* (1Cor. 12:26). How we thank God that members of His body could come together to honour not only Chief McCormack but also, his wife Jean.

If the FCPO is part of your ministry we need prayer, financial help and your time to make a difference to someone; not only within the law enforcement community but the whole community.

Law enforcement personnel endure more criticism by virtue of the work they do, yet are highly respected.

We can make a difference for God!

Plusieurs de vous ne pouviez pas assister à la soirée qui a été donné par le Chapitre de Toronto du FCPO au 9 Décembre 1993.

C'était une occasion pour les membres et partisans à remercier Dieu pour Sa Divine. Aussi pour honorer notre premier préfet au Canada Wm. J. McCormack.

Si vous étiez là, vous auriez vous rendre compte à la fin de la soirée de quoi s'agit-il le FCPO.

Préfet McCormack a subit beaucoup de critique négative des groupes, le media et même de ses membres au sujet de sa représentation de notre organisation. Et c'est même considérée la première police du monde.

Sa famille n'ignore pas ces critiques les Ecritures saintes disent, *"Et si un membre souffre, tous les membres souffrent avec lui; si un membre se fait honoré, tous les membres se réjouissent avec lui"* (1 Cor. 12:26). On remercie Dieu pour nous mettre tous ensemble à l'honorer pas seulement préfet McCormack mais aussi sa femme Jean.

Si le FCPO fait partie de ton ministère, on a besoin de la prière, l'aide financier et votre temps pour avoir la puissance à aider quelqu'un, pas seulement dans la communauté de la loi mais partout dans la communauté.

Les personnes qui travaillent dans ce domaine de la loi, subissent beaucoup de critique à travers la vertu du travail qu'ils font et ils sont beaucoup respectés.

Chief G. Waddell. Thank you Art and Miriam for all the time and effort you both put into this event. As well, thank you to everyone else who worked so hard along with them.

We would like to pass on our condolences to Lorne and Ann Silver, and to their family in the death of Lorne's mother in December. I was able to attend the wake along with Tom Jameison. I had not talked to them since Lorne's posting to Northern Ontario years ago. Sadly these tragedies bring us back in touch with many of our extended F.C.P.O. families.

The National Executive is again getting ready for the conference this year, in Ontario. We encourage you to start planning now to attend. Watch for more information in the **PeaceMaker**. We look forward to seeing many of you there and at other functions this coming summer. God Bless.

respecter la loi. Un grand merci à Art et Miriam pour tout leurs temps et efforts qu'ils ont contribué à cet événement. Un grand merci aussi à tout les personnes qui ont fait cette soirée une succès.

Nous voulons donner notre condoléances à Lorne et Ann Silver et à toute la famille pour la mort de la mère de Lorne en décembre. J'ai eu l'occasion d'assister la veillée mortuaire avec Tom Jamieson. Malheureusement je n'avais pas parlé avec Lorne depuis son déménagement au Nord de l'Ontario. Ces tragédies nous remettent ensembles avec notre famille étendue du FCPO.

L'exécutif National se prépare pour la conférence annuelle - c'est année à l'Ontario. On vous encourager de vous préparer à l'assister. Attendez plus d'information au **PeaceMaker**. Nous sommes heureux de vous voir la et de vous rencontrer aux autres événement cet été. Dieu bénisse.

TIME IS TICKING AWAY

Everyday, everywhere you turn the signs tell us that Christ's return is that much closer. Did you know that the FCPO "PeaceMaker" is a missions tool?

Not all can go but many can send or sow. Have you ever considered that sowing into the PeaceMaker is sowing into the Kingdom of God. Many police officers read the PeaceMaker and yes some are not Christians. The word Gospel means Good News and the PeaceMaker is good news. How many times have you read testimonies where the PeaceMaker had an impact on someone's life? We read consistently of people wanting to be put on the mailing list and receive the good news called the PeaceMaker.

What about the PeaceMaker! DID YOU KNOW?

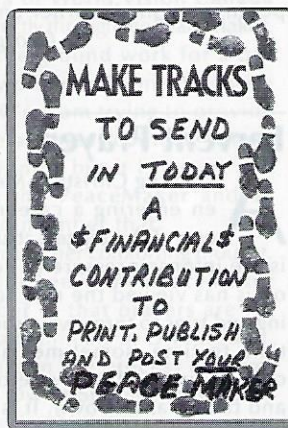

1. It comes out 4 times a year;
2. It costs over \$1500.00 to print and post each issue;
3. The **PeaceMaker** is made up of volunteers;
4. 1500 copies are printed each issue;
5. The current FCPO membership is between 200-300 members.

Many organizations send monthly donation requests to you. Now that 1994 is here, I am asking you a recipient of the PeaceMaker to make a donation to the FCPO PeaceMaker so that the next issue can be sent to you on time. Maybe you are asking how much should I give? Well I am glad you asked. How about \$25.00 or ask the Lord in Prayer. If each member gave \$25.00 then the next 4 issues would be paid up in advance and the Editor would not have to concern himself where is the money coming from.

Perhaps a question one should ask, is do you like receiving the PeaceMaker? If so make your cheque or money order out today. If budgeting is a concern, consider it as another bill and then it will get paid.

In closing, God loves a cheerful giver. Thank you for being a part of a life changing eternal organization called the FCPO and its written word.....The PeaceMaker.

Have a blessed, healthy and prosperous 1994.

Real peace

I am sure many people are receiving blessings from reading the contents in the **PeaceMaker**. I was greatly impressed by the article "what is peace" by F.W. Harrison in the Summer issue. As a writer of inspirational poetry, I have written many on the subject of peace and as we know, "Real Peace" is in the possession of the believer in the Lord Jesus, that peace he makes reference to in John 14:27. I enclose my latest poem "Real Peace" (see Poet's Corner) for consideration in the **PeaceMaker**.

Wishing you and the staff every blessing in all you seek to do in sharing the gospel in your small corner and I in mine.

Fervent Prayer,

As young Christian Men and Women entering a career in policing, one of the biggest struggles we face is the intense pressure to conform. Each of us has viewed the ugly faces of policing and tries to turn away from them. From time to time, sometimes almost imperceptibly we embrace one of these faces and take it as our own. It is during these times that prayer support from other Christians takes on a greater importance.

Unfortunately over my career I have been guilty of taking on attitudes and behaviours that has been inconsistent with my Christian upbringing and faith. I know that through everything my mother (and

father) knelt quietly and prayed fervently for me. God heard and answered the prayers.

On September 27, 1993, my mother received her reward and went to be with the Lord after a battle with cancer. It is as a tribute to her that in her memory I enclose a donation to the C.F.C.P.O. in order that this ministry may feel the support and encouragement of its members.

Thank you for your work and prayer, may God richly bless you as you minister throughout this nation.

R. Scott Smith
✉ Wawa, Ont.

Editors note: The faith of your mother was an example to all of us who attend the Banfield Memorial Church. You have encouraged many of us and we pray that God will bring to pass your desire to reach out to others in His name.

Unfair

I hope this cheque will help ease a small portion of the heavy financial burden in producing the **PeaceMaker**.

It is a fine piece of work created by a dedicated staff. Even though I don't necessarily agree with all the principles of the C.F.C.P.O. it would be unfair of me to be always critical of an organisation without offering or volunteering to make the necessary change(s).

Although I am not a member or an active participant in the CFCPO, I do enjoy reading how the other half lives.

Paul Murphy
✉ Toronto, Ont.

Editors note: Paul is a strong supporter of this ministry and is always ready to help. We appreciate him and look forward to his continued support.

FCPO Supportive

I enclose herewith a cheque as an encouragement in your work. As an Associate member, It was a pleasure for me to pass your PeaceMaker magazine along to a young member of the Anglican church I attend, who wants to be a policeman. What a blessing your group has been to my son, Rob Sweet who is one of your own and part of your outreach program! I know you support him in prayer as he awaits God's placement in His ministry.

'As the rain and snow come down from heaven and stay upon the ground to water the earth, and cause the grain to grow and produce seed for the farmer and bread for the hungry, so also is my Word. I send it out and it always produces fruit. It shall accomplish all I want it to, and prosper everywhere I send it.' (Isaiah 55:10,11 - The Living Bible)

The above has been a blessing to me and I pass it on to you for a blessing for the New Year.

Mrs. Hazel Sweet.
✉ Pickering, Ont.

Prayer...uplifting

Thank you once again for the men and women behind the scenes who keep the ministry of the "PeaceMaker" vibrant and alive. And believe me, it is alive. I for one would like to reflect on only a few answered prayers that I have seen unfold from the pages of the PeaceMaker.

In 1992, I asked that prayers for the recovery of my niece from a brain aneurysm be included by the FCPO membership in their daily prayer sessions. There is little doubt that the prayers each of you said individually and at the same time collectively as the FCPO, brought some remarkable healing. Thank you all!

In 1993, I was advised of a pending

transfer from Torquay, Sask. to one of seven of Saskatchewan's larger urban centres. Among my myriad of concerns about the transfer, were questions about FCPO membership in other areas, especially because I was leaving behind our fledgling subchapter in Estewan, Sask. (with Jerry Michalski and Glenn Dumontel). Anyway, I received the "PeaceMaker" near the end of March within one week of receiving the transfer decision. The PeaceMaker gave me my transfer before it was ever official. There was a short note of encouragement in that PeaceMaker from Rev. Ross Plews of Lloydminster Sask/Alta. In it, Ross was requesting prayers for the support of a police chaplaincy program in Lloydminster. Once I read it my wife and I both knew where we were going. One week later, on April 2nd we were in Regina to receive official news of our transfer to Lloydminster.

Since our arrival to Lloydminster, Ross and I have shared coffee, meals and a ride-a-long together. We both met through Hazen Valancia of World Vision Canada directly and indirectly through the PeaceMaker. Ross is doing the ground work for a police chaplaincy program by meeting with NCO's and O.C's. I am trying to provide Ross with a detachment contact. It may be a slow beginning but it is a start and it started with the PeaceMaker and all of us need to remember that.

I'll close with another comforting thought. I felt refreshed to see in the PeaceMaker Vol. X11 number 4, that prayers are requested for peace officers in Owensound, Ontario who are in the process of forming a chapter. Owen Sound is my home town and I consider this intercessory prayer wonderfully uplifting. Thanks again PeaceMaker staff and the FCPO National Executive. Keep up the good work!

R.C.M.P David R. Boyce,
✉ Lloydminster, Sask/Alta.

Editors note: Thank you also for your prayers and financial support.

A Lifeline

Just wanted to drop a note to go with our annual contribution towards God's work with the Fellowship of Christian Peace Officers in Canada.

We have nearly spent another year in Weyburn and are enjoying it here very much. We are fellowshiping at a free Methodist church here and are quite active in children's ministry, music and young adult ministry.

We have been able to make it in to Regina to join with the Regina chapter members for meetings this year. We especially enjoyed going as a family to the police appreciation church service that was held at Hillsdale Alliance church this fall. It was a tremendous blessing!

Garth Penn, Wayne Eaton and all the chapter members in Regina are doing a terrific job in organising events in the Regina area. It is indeed a blessing and I know that all of the officers from in and near Regina enjoy attending as our duties permit.

Keep up the good work. We very much enjoy the articles in the PeaceMaker magazine and want to encourage you all that we can. For the officers in the small towns in rural Canada, your magazine is a lifeline to the work going on to advance the kingdom of God throughout this great land. We will continue to lift you in prayer. May God grant you courage and peace as you continue to serve Him in this vital ministry.

Increased awareness

It was good to see a copy of your map recently in the office of Toronto's R.C.M.P. Airport Detachment. It's been quite a while since I've seen your magazine. Life has had many drastic changes for me since 1988 when I was a subscriber in Sorris and Charlottetown, P.E.I. Our Lord has closed a lot of doors but opened many more and, as usual, adventures have been many and varied! But, I do know that He has **never** left me nor forsaken me!

The grace of Jesus Christ and His atoning work remains (thankfully) as much today, if not indeed more now as ever. Two recent deaths of Canadian police officers increases our awareness of the frailty of life and the ever present spectre of "Death". Many men and women in uniform I'm sure, are questioning so much nowadays. I pray the "PeaceMaker" will continue to be a vehicle our Lord can use to steer many to the ONE AND ONLY ANSWER (John 14:5-15). But He needs us.

Please put me back on your mailing list; and I could use some "survival kits."

As I continue to pray, I ask you to as well. The fields though stained with patches of red, are still white to harvest and I strongly feel that Christian peace officers can, and do make a difference in this world where Jesus has placed us (John 17:14-23).

He is faithful

Having celebrated Christmas, we were once again reminded that the Prince of Peace (God incarnate) came. And as I write these words, I am reminded of the faithful way you dear people have laboured throughout another year to reach out to the hearts and lives of peace makers and their families, in Canada and around the world, because He came!

As I contemplate the many hours devoted to the make-up and publication of this precious message, in the form of the "PeaceMaker" I feel compelled to humbly thank and praise God for you all.

May God grant you continued strength, the means and the will to carry on this important ministry.

And may we be faithful in upholding you all in prayer to God. May the peace and joy of Christ envelope each of you as you continue to serve Him.

WHAT ABOUT THE HYPOCRITES

by Western Rep.
 Harold Johnson

We Christians often have this question brought up. The following information should enable us to discuss the problem caused by hypocrites more intelligently with anyone. If someone claims that a hypocrite stands between him and Christ; he is also admitting that the hypocrite is closer to Christ than he is. But we must discuss this tenderly and graciously. Our agenda should be to share the Gospel, not to win arguments.

The apostle Paul said: "Examine yourselves

as to whether you are in the faith. Prove yourselves. Do you not know yourselves, that Jesus Christ is in you? - unless indeed you are counterfeits (or hypocrites)" (2 Cor. 13:5).

Only valuable things are counterfeited. It is a compliment to Christianity that anyone who is not a Christian would want others to think he is. However the compliment goes to the original, the genuine; and not to the bogus copy!

There are three false assumptions made by many people.

1. Many take it for granted that whoever claims to be a Christian, must therefore be a Christian. Make sure the contact is talking about real Christians. Many misdeeds associated with Christianity are not really acts of genuine Christians at all.

2. Another false assumption is that Christians claim to be perfect. People expect Christians to behave on a level that they themselves can never attain. And they assume that if a believer actually lives righteously it must be a pretense. But Christians do not claim to be perfect, they do claim to be perfectly forgiven!

I like asking a "questioner of the faith" if he would call himself a bowler, golfer, or whatever sport he may play. Usually they reply "yes, I am a bowler", or whatever sport it is. I then challenge him how he can call himself a bowler, because surely he does not bowl a perfect score all the time!

Even the best Christians fail in some areas of their lives, but that does not invalidate Christianity. (A poor score in bowling does not invalidate bowling).

The real issue is not perfection, but progression. There must be a genuine change reflecting a new nature from the inside out. Progress is then made toward increasing Christ-likeness.

3. The third false assumption is that all sin is hypocrisy. If this were true all

Christians who truthfully acknowledge they are not perfect, would thereby be confessing that they are also hypocrites, because they sin. All hypocrisy is sin, but not all sin is hypocrisy. All Christians sin, but not all Christians are hypocrites.

Jesus Christ clearly identified His position on hypocrites when He said that they "will not escape the condemnation of hell". (Matthew 23:33). Therefore, those who properly oppose hypocrisy stand, not against God, Christ, the Bible and Christianity; but solidly with them. Compare the statements made by our Lord in Matthew 5: 1-12 ("beatitudes for believers") and Matthew 23: 13-26 ("woes for hypocrites").

No wise man will permit something that he and Jesus Christ agree on to keep them apart. There are hypocrites. But the hypocrites lifestyle is neither planned

nor approved by the Lord Jesus.

In conclusion, let me repeat that only valuable things are counterfeited. But no one stops using money simply because counterfeit money exists. Forgeries or reproductions of great paintings do not lessen our appreciation of paintings that are genuine. Neither should hypocrites discourage us from accepting the wonderful gift of eternal life, that our perfect God extends to each of us.

Authors note: Most of this material is from Evangelism Explosion training that I have had the privilege of taking.

Very blessed

Thank you for sending me the FCPO news letter. It is encouraging to know there are Christian officers in our forces who are faithfully witnessing Christ through their work and life.

I consider myself to be very blessed to be in the force. God is very gracious to me and my family. My sincere good wishes and God's richest blessing to all.

Chapter & Information.....

Greater Vancouver, B.C.

Greetings in Jesus' name from the Greater Vancouver Chapter. The chapter meets the first Monday of every month at the ABC restaurant for a time of fellowship. We have testimonies and special speakers from the community who bring us the Good News from God's Word as it pertains to their life or business.

15-20 people regularly attend each meeting. These include police members, retired members, Canada Custom officers, police reserves, firemen and ambulance attendants. We are blessed as we enjoy each others fellowship in the Lord. We continually invite members of other faiths and non-Christians to our meetings as we work toward evangelization of peace officers in our area.

We are truly blessed by the retired peace officers in our area who attend our meetings on a regular basis or come to us as special speakers.

God has sent Mona White, who is retired from Vancouver pre-trial, to help with the organization and our phoning every month. Words cannot express our thanks to Mona for her work. God bless you Mona.

We really appreciate the work being done by head office and the people who put together the PeaceMaker. It is a pleasure to read about other peace officers who love the Lord and share their experiences with others through this magazine.

The Fraser Valley of B.C. is one of the fastest growing areas in Canada. Together with this growth brings in more peace officers to service the area. Our prayer is that we will be able to unite as Christian Peace Officers, develop a strong support group and bring others to a saving knowledge of Jesus Christ.

I would encourage others in our area to join and get involved in this great ministry. Please contact me if you need any further information on our chapter.

May God Bless you all.

Toronto hosted a 10th Year Incorporation Banquet at the Ramada Renaissance Hotel on December 9, 1993.

Among those who attended the function were CFCPO founding members. What a pleasure to see Dr. Norm Brown and his wife Sharon (former Editors of the PeaceMaker); the National Executive of the CFCPO, the President of the Metro Police Association, Mr. Art Lymer and his wife, the Rev. Bob Rumble and his wife; representatives from several police forces in Ontario and supporters, who came out to honour our Chief, Bill McCormack, for his support over the years and to give thanks to God for His faithfulness to this ministry.

Chief Grant Waddell, Sgt. Neville Eccleston and his wife Mona and Marc Perrier captured the hearts of those in attendance. For those of you who could not be

there, plan for the next one because it is going to be bigger and better.

Many thanks to our master of ceremonies, Harold Bennett, for a job well done. Special thanks to Barbara Helm, Art Gibbs, Lloyd Tapp, John Walker, Jack and Laura Turner, Tony Baker, Abigail Hamilton and Miriam Francis.

It was a great event **PRAISE GOD!**

Oscar Nelson wishes to thank all who prayed for his wife during her battle against cancer.

Doris Nelson went home to her reward November 24, 1993.

She was a wonderful person who raised three beautiful girls that any parent would be proud of. A very supportive wife, Doris' faithfulness to her Lord was never compromised.

We will miss her very much but one day, we will see her again.

Remember Oscar in your prayers.

Real Peace

What is the peace
That the world's searching for?
Would it reign on the earth
In the absence of war?

When throughout all nations
All tumults will cease.
Would this great occasion
Help Herald forth peace?

Or if all the beliefs
Practiced under the sun
Were to join with each other
Uniting in one

Would that bring much nearer
The peace that they sought,
Or would all their efforts
In the end come to nought?

The real peace they seek
Must come from above
It will come when its Prince
Brings it down with His love.

And His Kingdom on earth
Will eternally reign
With a peace that can never
Be severed again.

1993 George B. Walker

Testimonies encouraging

Another Christmas season has come and gone, the tree, the gifts, the decorations are all put away by this time. But did we put "Christ" away too?

As we look to the cross at Easter, we see real "life" in a new light - the everlasting light of Jesus.

I encourage fathers to be the leading "light" - the spiritual leaders in their homes; don't let Mom always do it. The Bible says: (Fathers) "teach your child in the way he should go" Pr. 22:6.

Thank you for the **PeaceMaker** magazine. I look forward to receiving each one. The personal testimonies are a real encouragement for me. Enclosed is a donation to help in the production of this magazine.

Making sure

I just wanted to send this donation before the New Year, to help with the publication. I look forward to receiving the **PeaceMaker**. I got a call from one of your officers and I indicated I wanted to write a note in reply to what I have read in your newsletter as it was an encouragement to me. I will do that in the beginning of the new year. I just wanted to make sure you got my donation now.

I worked with the Summons Bureau in Toronto for three years ('81-'84) and I loved my work as a civilian. I am praying that the Lord will guide me back with the Police Force, when my children don't need me at home every day to care for them.

Enclosed is a cheque in memory of my husband Bob Dornam. Wishing every blessing in your wonderful work for the Lord.

Let us stand for HIM!

I hope you are excited and have already planned your vacation for Jackson's Point Conference Centre in Ontario.

Planning a successful event is only possible when those whom you are planning for cooperate.

Several things such as finding a **SPEAKER**, good **MUSIC**, **ACCOMMODATION**, **TRANSPORTATION**, ETC., takes time as many who have planned conferences know.

What is most important is your **REGISTRATION** and **DEPOSITS** to come in on time so as to fulfil the conditions of the contract.

Please note the price difference for registering early and take advantage of this savings.

Jackson's Point Conference Centre is surrounded by 20 scenic acres on the shores of beautiful Lake Simcoe. The spacious grounds provide a place of peace and tranquillity. A private beach and wooded acreage combine to give that close to

nature feeling.

The main Conference Centre accommodates 144 with twin bedded rooms. It also contains ample meeting rooms, country fire place lounge, a spacious chapel and dining room, all under one roof.

God's creation together with a most functional facility make this one the most practical place for the 1994 FCPO Conference.

Chapter Executives are encouraged to advertise and promote the conference in their area and to encourage their members to participate.

Our ministry is unique and we thank God that it does not replace your church. Having attended a few conferences, I know that without **YOU** it will not happen. **LET US STAND FOR HIM!** Let us renew ourselves to this ministry we've come to love because of HIM and let us reach out for HIM as we see less morality in our society. Let us continue from the theme of last years conference; "Leadership with Integrity" and let His light shine through us.
