ACTS 1:8

"I AM THE LIGHT OF THE WORLD"
(JOHN 8:12)

STATEMENT OF FAITH WE BELIEVE

THE BIBLE

The Scripture of the Old and New Testaments were verbally inspired of God and inerrant in the original writings and that they are the Supreme and final authority for our faith and life (2 Tim. 3:16, 17; 2 Peter 1: 20, 21).

FAITH

All those who by faith receive Jesus Christ as their personal Lord and Saviour, and who confess Him as such before their fellow-men become heirs of God and joint heirs with Jesus Christ (Rom. 10:9; Eph. 2:8, 9, Rom 8:16, 17).

MAN

We are sinners and that by His death upon the cross, the Lord Jesus Christ made a perfect atonement for sin, redeeming us from the curse of the law by becoming a curse in our place (Rom. 3:23; John 3:18; Rom. 10:9, 10).

GOD

There is one God. Holy, eternally existing and manifesting Himself to us in three persons. Father, Son and Holy Spirit. God is merciful and loves us, but is just and must punish sin (John 14:6, 10; Exodus

34:7; Matt. 28:9; John 3:16).

CHRIST

Jesus Christ is God incarnate. He was supernaturally conceived, born of a virgin, was put to death by crucifixion under Pontius Pilot, was raised from the dead on the third day, and now sits at the Father's right hand whence He is coming again personally, bodily and visibly (Luke 1:26-35; 1 Cor. 15:3, 4; Eph. 1:13; Eph. 4:4, 5).

HOLY SPIRIT

The Holy Spirit is God. He indwells all believers having baptized them in the body of Christ at the time of regeneration (Rom. 10:9, 10; 1 Cor. 12:13, 14; Eph. 4:4, 5).

GRACE

Eternal life is a free gift and cannot be earned. We are saved by grace and not by our own works (Eph. 2:8, 9; Rom. 6:23).

JUDGEMENT

Those who reject the love of God and the saving work of Christ will be judged and punished for sin. They will be eternally separated from God (John 16:7-11; Psalm 89:32; Exodus 34:7; Jude 14:15; John 3:18).

The Peacemaker That Was Not To Be

On September 7th, after much prayer, the Board authorized a special letter to be sent to the 1132 readers of the Peacemaker to seek help, as we did not have sufficient funds to print the Fall issue. As a result of the letter, many of you from across the country responded with donations which gave us second thoughts about sending it out. You had sent in enough to cover the expenses of one issue and, realizing how important it was, we decided to put out this special (Fall) edition as soon as possible.

Of course if we continue to receive assistance, we also hope to send out the Winter issue in early December.

You will notice that we have an interim editor and assistant. In any organization there are changes taking place. It is our sad part to say that our esteemed editors of recent copies resigned to become more actively involved with the newly formed Greater Metro Chapter in Toronto. But we look forward to great things happening in the Toronto area. We are encouraged by the recent formation of the Durham Chapter, (east of Toronto) headed by President Jim McRobbie. Also, Ottawa-Carleton has a new Chapter. These are good happenings within the Fellowship and evidence that God is speaking through the hearts of men and women in the Law Enforcement and Peace Officer Professions right across this great land.

Hank Harley and Tony Baker are riding their motorcycles to the New Jersey site of the F.C.P.O. (U.S.) Conference October 7th-9th inclusive. My wife and I are going but we are taking the more conventional way, an automobile! I had a long career of riding and at my age look for the extreme comforts of life! We will have a lot to report on so watch for it.

Please enjoy the Peacemaker, God Bless you ALL and Thank You for your help.

Jack Turner

PRESIDENT'S MESSAGE

President's Report: 1993-1994

Once again it is an honour and privilege to report the activities and duties I have been able to do during this past year.

It has been a challenging year, filled with times of happiness as well as times of sadness. I have met with many people through scheduled meetings, special banquets, and F.C.P.O. related church services. As president I have attended and chaired all National Executive meetings, and have been appointed to various committees and special tasks. I have met with and talked to many members, Provincial Reps., and Executive Members to promote, expand, and continue our ministry.

The year has seen renewed interest in some areas, the birth of new chapters and the restart of others. We welcome all of these new chapters into the Canadian Fellowship of Christian Peace Officers.

Sadly, in May of this year Dino Doria and Art Francis resigned from the National Executive and any of the related committees and duties. I was personally saddened to lose both of these men. Their insight and support will be missed by all. I would like to personally commend Art for the dedicated effort he put forth with his organizational skills (banquets etc.) and for his excellent work in the production of the Peacemaker Magazine. With Art's resignation as editor of the Peacemaker we ask that anyone with the special skills required to assume these duties, to submit their name to the National Board for consideration. The position remains a voluntary one and only eternity will be able to reveal the rewards for this service. I would ask that anyone considering this task to do so prayerfully, as the Peacemaker has been, and will remain our greatest outreach.

In closing let me thank all those who have been so helpful over the past year. Your support and encouragement is appreciated more than words can tell. To my Board of Directors for their advice and encouragement, thank you. Also a special thank you to founding President Dick Hayward for your understanding, clear methodical approach, and advice so freely given whenever asked for.

My wife Barbara and our children, I thank most of all. They are the ones who sacrifice most when I have to be away, or spend hours working on this ministry. I recognize that my family has, over the years, contributed and faithfully and patiently stood by me. Without their support and love these past years would not have been possible.

Larry Wilson
President

WHAT CAN WE SAY ABOUT THE "BLUE LINE" MAGAZINE

Those of you who receive it know it is a worthwhile tool for assisting you in your daily work as a Peace Officer. It is widely read, growing in circulation and during my 35 years on the Metropolitan Toronto Police Force I cannot recall such a fine national law enforcement magazine as the "Blue Line". Factual and well researched by an able Staff and Editor Morley Lymburner, Blue Line defines in detail the latest techniques to combat crime. I knew Morley as we both worked in traffic during much of our police careers. (he was one fine investigator)

I would like to give a large thank you to Morley for letting his readers know that while the Blue Line is their occupational publication, the Peacemaker should be their Spiritual publication. How right, so thank you.

Blue Line has introduced many new peace officers to our Fellowship. (see examples in our *readers comments*)

The following letter of appreciation was recently printed in Blue Line.

Again I feel compelled to write you a note to express to you and your staff the feelings I have for your fine publication.

You may have been a cop but your talents far extend beyond police work per se. You are an editor, I think, by birth and that goes for your wife too in her capacity of work with the magazine.

The advertising you have so freely granted us for the Peacemaker over the past years has brought a great number of officers to the knowledge that their work can be enhanced, not only by the new technology and the newest techniques in crime fighting, but their spiritual well being as well. In Gods way everything can be kept or put in order. That is the thing that binds families and relations together.

"PEACEMAKER"

***It's your occupation....
Now let it be your publication!***

The PEACEMAKER is published quarterly by the Canadian Fellowship of Christian Peace Officers (CFCPO), a federal non-profit corporation which encourages peace officers locally, nationally and internationally to join in fellowship. If you would like to be placed on the mailing list, or would like to receive more information about CFCPO membership, send your request with your name, occupation, address and phone number to:

*Sharing the Truth and the Way and the Life
Our Lord Jesus Christ*

It is great to see how your work can influence behind the scenes. So many officers write to us and I open the mail and they let me know they saw the ad in their favourite publication...Blue Line! We didn't have this when I was a young officer and I can see why they need your efforts.

It is so great that you overcome obstacles that we all have and that God is providing the needs for your work among the Peace officers, locally, nationally and internationally. (Since your article in the January issue we have communication from Germany too.)

So Ed and staff, all the best and if you want to express our feelings through the letters to the editor on behalf of the country...go ahead please.

God bless you all!

OUTREACH TEAM OF JACK AND RUTH FOSTER DESCRIBE THEIR RECENT WESTERN TRIP C.F.C.P.O.

Monday June 13th 1994

Dropped off Peacemakers at R.C.M.P. offices in Gibson and Sechelt, B.C.

Friday June 17 1994

Picked up at Langdale Ferry docks by a member of the Delta P.D. and Bill Clarke (formerly of Vancouver Chapter). We attended a barbecue put on by Surrey Chapter, hosted by President Ernie Frers and his wife Janet at their home. About 40 people including Dave Greenhaigh, Andrew Brooks and Dave Bowen attended for food and fellowship. We discussed the possibility of a 1995 Conference in British Columbia.

Sunday June 19th 1994

Peace Officers Appreciation days are conducted all over Canada and are welcomed by the citizens attending, many times with a small parade into a church. This one was held at Bethel Baptist Church Pastored by Rev. Ron Schindel. R.C.M.P. Officers in the town of Sechelt in attendance were Carl Dixon, Mel Spellman, Brock Haines, John Dejong along with guard Doug Hardy. Jack and Ruth ministered in music and all had fine fellowship. Of course peacemakers were given out everywhere we went.

Monday June 20th 1994

We contacted Rev. John Greenwood, former R.C.M.P. officer. He was with the Surrey Chapter but is now a strong supporter with the Victoria Chapter on the island.

Thursday June 23rd 1994

Visited Mike and Laurie Ferguson, formerly of Port Police, Rothesay N.B., now with Vancouver Port P.D. They belong to the Surrey Chapter. We contacted Ed Dalton, a guard at Matsqui Pen near Abbotsford. Ed was a founding officer of C.F.C.P.O. when it came to B.C. in 1982. There were four chapters back then.

Friday June 24th 1994

We were in Hope B.C. now on our way back toward Alberta where, on a previous visit we met former R.C.M.P. officer Don Taylor, now a Minister in Alberta. P.C.'s Bob Verbee and Don Harder were given Peacemakers. We

stopped at the R.C.M.P. office in Kerimos where we met with Cst. Doomes who was glad for the visit and our magazine. Then we contacted old friend Mike Lively, R.C.M.P. Penticton. When we got to Golden, B.C. we had a short time of fellowship with R.C.M.P. officer Rocky Calhoun. All of our contacts were interested in the possibility of a Western Conference in 1995.

Sunday June 26th 1994

We are now in Edmonton, Alberta to meet up with Harold Johnson, Head Rep. for the 4 Western provinces and President of the local chapter. Harold is a Director on the National Board and an ardent supporter of F.C.P.O. He has been involved with conferences held in Alberta in the recent past and is excited about the thought of another Conference in the West. This gives us an idea taken from the FCPO(US) whose conferences are divided with an East and West site. Good idea to think on.

Monday June 27th 1994

Now in Saskatoon, SK. to meet up with Don Leskowski. We really need to pray for a Chapter to start up as 17 Peacemakers are mailed to officers there. Pray for Don and his workers for this need and to ready them before the Lord.

Tuesday June 28th 1994

Regina was our next stop where we contacted Garth Penn, Head Rep. for the province. We had a good talk about our mutual interests in the F.C.P.O. This chapter is thriving.

Wednesday June 29th 1994

How about that, we are in Winnipeg, MB but we couldn't contact Chaplain Bruce Day, President of the Chapter.

Thursday June 30th 1994

We would have been remiss if we hadn't stopped at Beardmore, Northern Ontario, to see our founding President of 8 years and very good friend to many, Dick Hayward. He and his lovely wife Joan had bought a home to settle down but now tell us, it became impossible because of all of the moose and bears on the highway interfering with their travel. Don't believe this story — It came from a city slicker friend of the Fosters who has travelled with them from Ontario to places like Florida and to conferences in Alberta. Truth is, Haywards are moving back to the Lindsay area in southern Ontario, where only cats, dogs and squirrels cross the highway.

WHAT A MEMORABLE TRIP!

NEWS FLASH!

The '95 Conference will be hosted
by the Greater Vancouver Chapter,
August 18-20th, 1995

TRIBUTE TO TODD BAYLIS

On Wednesday, June 22nd, my wife and I were among the approximately 10,000 people who attended the funeral of our fallen officer Todd Baylis #114, who had been gunned down a few days earlier. I would like to give my impression as I stood and watched for nearly three hours.

It was about fifty years ago when a group of young men, fresh out of the Services and considered to be the "cream of the crop" were hired on to the vastly understaffed Toronto Police Department.

Today, as we peered over the parade of young men and women in uniform, one could feel that time was being repeated in our minds. For sure, these are truly today's "cream of the crop". We were very proud and tearful as the service progressed.

All of the participants, the young officer who paid a tribute to his buddy Todd, the girl who sang Amazing Grace so beautifully, the aunt who read the touching poem, Todd's wounded partner who carried his cap into the church, Rev. Bob Rumball who gave an inspirational message of the hope that lies within us of eternal life, and His servant Rev. Norman Wylie of the Bayview Glen Alliance Church where the service was held, confirmed very clearly where we all stand before a Holy God.

As the National Secretary of the Canadian Fellowship of Christian Peace Officers, I know many officers had come from many places in the U.S. and other countries to pay their deepest respects to the Baylis family for the loss of their dear son and fine police officer Todd, on this very sad day for our police.

However it was most comforting to feel the love and care of the citizens of this great city and read the reporters' accounts in the media and TV news.

These are the thoughts of one War Vet and past serving officer of the Metropolitan Toronto Police Force. I speak for all men of my time. God bless each and every one at that service.

Airline Pilot Awed By Country Scenery

By Tim Nelson, Eastpointe, Michigan

AS A PILOT for one of the major airlines, I find it rewarding to look down at the country below and marvel at the beauty that God has given us. Nothing beats the view I get every day from the cockpit.

A typical flight from New York takes off over the metropolis of Manhattan, where our passengers press their faces to the window to get a view of the world's largest city.

Then we head west over the Pocono Mountains of Pennsylvania, where the rolling hills offer the most variety of color. An hour later, as we fly westward over the plains, I am always amazed at the abundance of farmland and wide-open spaces.

Flying a little bit north over Nebraska, I note how the plains slope upward into the Rockies, almost as high as we are. The snowcapped mountains extend as far as we can see from north to south. Truly Beautiful!

As we turn toward the southwest, I can see the rim of the Grand Canyon up ahead. We usually detour down the middle of the Canyon to give the passengers the best view they will ever have—from 35,000 ft. It's incredible to see the entire National Park at once.

As the Canyon falls behind us, the vast California desert appears. And when the western Rockies of Southern California come into view, I know our "tour of rural America" will be ending soon. It's interesting how the mountains slope right down to the ocean, creating a beautiful contrast. No wonder so many people have chosen the Los Angeles basin as their place to live.

As the passengers exit the plane, they often comment about what a beautiful trip it was. And then I realize again what a beautiful country this really is, and how lucky I am to have such a super view from my "office".

Child of My Kingdom

by Clair Cloninger

*There is someone very near you today
Who needs to know what you know.
Someone who needs a word of comfort
Or compassion or encouragement.
When you were low, did someone lift you?
When you were lost,
Did someone help you find the way?
I have allowed these difficult times in your life
So that you could experience my mercy.
And now someone else is going through a difficult time
Will you be the one to bring my mercy
To share my comfort, guidance and encouragement?
Will you spread the light of my truth
As one small candle spreads its light to another?
In this world, you are either a part of the problem
Or part of the solution
Part of the darkness or part of the light.
When you were engulfed in problems
Someone brought my merciful solution to you
When you had doubts and questions
Someone answered your questions
With my healing and life changing truth.
Now it is time for you to share
What you have been given with someone in need
Will you reach out to someone today — for me?
Share my Love

President Harold Johnson writes that they meet the first Tuesday of every month in homes. Mike and Gwen Holland, long time supporters and workers for C.F.C.P.O., had their first baby in August. The Chapter have enjoyed Fellowship with a Christian Motorcycle club. *Being an old motorcycle cop for 24 years in Toronto I can appreciate the camaraderie.*

Harold says that changes in leadership are hard to come by as not all are able to take on the responsibility. This happens to be a problem, not only with our Fellowship countrywide, but also in secular associations that I am familiar with. It is doubly sad with a Christian Fellowship as we are born again to go into all the world with the truth of the Gospel.

Ottawa-Carleton

Paul Wilson is President of this brand new chapter. A strong board is established and they have been meeting for almost a year. If you live in that part of Ontario please call (613) 825-9770 for details of meeting times or functions etc. I hope to meet up with them as I have a daughter and son in law living nearby.

Greater Metro

Through the efforts of members in the Toronto area, this vibrant chapter was formed. It is exciting to see what God is doing there. We will surely hear a lot from them in the future. Call President Rob Samuels (905) 824-9198 or Art Francis (416) 225-6315 for details.

Durham, ON

President Jim McRobbie (905) 436-3466 is an officer with Durham Regional, a large police service just east of Toronto. Many of the Metro officers live in this area and are most welcome to Fellowship with them. Praise God for this new Chapter. We have also been praying for a chapter in Peel Region. A number of the officers from there attend the Halton chapter just west of there.

Surrey-Delta, B.C.

President Ernie Frers wrote that officers from all over the Vancouver area are now attending the meetings. Praise God, God Bless workers such as

Mona White who calls many of them to let them know about the meetings. We get lots of mail from this area.

Victoria, B.C.

President Randie Scott wrote that this Chapter is back in stride for Christ. I know a few of the members having stayed with some of them. Regards to Brett Fryer, Randy Johnson and John Greenwood. You have a great group of dedicated people who love the Lord. Keep up the good work.

The staff read the words and one of us heard a Dianne Susek a well known Gospel singer from York, Pa. (U.S.) sing it and it is one of the most beautiful Christmas songs we have ever heard.

The writer is willing to supply the music if you write enclosing the postage paid. Editors

IT ISN'T CHRISTMAS

I thought it was the tinsel,
I thought it was the tree,
That girls and boys and fancy toys
Made Christmas real to me;
But one day I discovered
How wrong I'd always been,
For there was something missing,
Couldn't find out what it was,
'Til someone showed me Jesus,
And I trusted Him, because...

(Chorus)

It isn't Christmas
Until you know the one who came so long ago,
It isn't Christmas
Until the Holy child becomes your risen Lord!
It isn't Christmas until the Christ of Christmas
Lives within your heart.

Now you may say you're happy,
That Christmas really swings,
It's party time and all the world
Forgets its woes and sings;
But, oh, please let me tell you,
There's so much more than this,
For you're still missing something
That can turn your life around,
That something is my Saviour,
And I tell you this, because...

(Chorus)

This is an area where every segment of the Peacemaker family can help. If you have a few Christian Peace Officers in your area then you have the nucleus for a chapter. Jesus said: "...Where two or three are gathered in my name, there am I in the midst of them..." (Mt. 18:20). We don't want anyone to give up part of their church activities to join the fellowship but it is left for all to take stock and see for themselves, if they have room in their busy schedules for this great Christian fellowship with our Peace Officer family across Canada and beyond, especially our counterparts in the U.S.

ANSWER TO THE LETTER FROM HENRI MINDER,
ZURICH, SWITZERLAND:

Dear Henri,

27th September, 1994

It was back in February when I received your fine letter, but today I want to put a note in the Peacemaker about your part of the world in relation to the Christian Fellowship of Peace Officers.

I do recall that we met at Art Francis home at a meeting some years ago.

With all the distance between our Peace Officers affiliations there is a bond of friendship through our Lord and Saviour, Jesus Christ whom we all worship.

Your letter expressed that you like reading our magazine to get information of what is going on here in Canada.

So readers it is interesting where our Peacemaker travels, to name some other countries!

France, Germany, Madagascar, Tasmania, New Zealand, Great Britain, Nigeria.

This is our mission field.

We are into a universal faith in One God, One Saviour.

May God bless you all
National Secretary.

Lets keep in touch!
