

# Make Christmas 2020 Special

This year has been a rough one for everyone. However, it has been even rougher for those currently serving & protecting, who like everyone, could use some good news.

In the New Testament, "gospel" is the translation of the Greek noun euangelion “good news,” and the verb euangelizo, meaning “to bring or announce good news.”

Approximately two thousand years ago, the world received some “good news”. It was the birth of Jesus Christ, so “*that the world through him might be saved*”. We have that most important good news in the Bible’s New Testament.

Do you know a serving peace officer who could use some good news? Make this Christmas special for your colleague, friend, relative, neighbour or acquaintance who serves and protects. Our [Project Sword](#) continues to offer to any serving Canadian peace officer the special law enforcement edition of the New Testament – “The NIV Peacemakers”. We would be pleased to send a free book(s) to you, for you to place in the care of a serving officer.

Order yours today by sending your name, mailing address, and the number of books desired to: [fcpo.aapc@gmail.com](mailto:fcpo.aapc@gmail.com)

**Give the gift of “Help and Hope” this Christmas.**

## Merry Christmas!
